Student Comments:

*"Maddison pushes her students in a way that motivates them to be better, and not just in English class."*

*"Maddison is a teacher in every sense of the word. With carefully thought-out lessons, the knowledge she offers goes beyond the students' environments and into their own personal lives, promoting an eagerness to learn within her students. She is a great example of a teacher, but ultimately a representative/motivator of AI's mantra: 'creating tomorrow.'"*

*"During Miss McGann's English course, I've obtained a newfound respect for reading and have become a stronger writer. It is refreshing to have teachers like Miss McGann who are passionate about the subjects they teach and genuinely want to see their students learn."*
